The Applicant for Membership at the same time declares that before the sending of the

Fortuna reserves the right to refuse the Application Form of an Applicant for Membership, even without stating any reason. There is no legal entitlement to participation in the Partner Programme. On the approval of the Application Form on the part of Fortuna, the Applicant for Membership becomes a Partner, and a contractual relation arises between Fortuna and the Partner. Every Partner is authorised to register in the Partner Programme only once.

3.3 At the moment when the Applicant for Membership becomes a Partner in the Partner Programme, Fortuna will activate the access to the Partner's Account for the Partner, and the Partner will log in the Account by using the login data set in the Application Form. 4. COMMISSION

4.1 In the case of fulfilment of all the conditions specified in these Conditions, the Partner is entitled to the Commission, which is to be specified by a percentage part of the NGR for the corresponding calendar month. The NGR shall be ascertained according to the following formula (hereinafter referred to as "NGR"):

$$\text{NGR} = \text{GGR} * (1 - \text{Tax on Games of Chance}) * (1 - \text{Marketing and Administration Costs}) - \text{Costs on the Partner's Clients}$$

4.2 The amount of the Commission for the corresponding calendar month depends on (i) the number of New

Bettors ensured by the Partner in the corresponding calendar month and on (ii) the amount of the NGR generated by the Partner's Clients in the corresponding calendar month. The amount of the Commission shall be ascertained according to which of the below specified criteria is fulfilled in the corresponding calendar month:

NUMBER OF NEW BETTORS	NGR (IN CZK) GENERATED BY THE PARTNER'S CLIENTS	AMOUNT OF THE COMMISSION
0	0.00 to 24,999.99	10 %
1 to 10	25,000.00 to 74,999.99	20 %
11 to 30	75,000.00 to 149,999.99	30 %
31 to 50	150,000.00 to 249,999.99	40 %
51 to 100	250,000.00 to 499,999.99	50 %
101 to 150	500,000.00 to 749,999.99	60 %
151 and more	750,000.00 and more	70 %

In the case that the total NGR generated by the Partner's Clients is lower than the number of New Bettors ensured by the Partner in the corresponding calendar month, then the percentage rate for the corresponding calendar month shall be determined depending on the NGR achieved for the given calendar month and not depending on the number of New Bettors ensured by the Partner in the corresponding calendar month. If the NGR generated by the Partner's Clients is greater than the number of New Bettors ensured by the Partner for the corresponding calendar month, then the percentage rate for the corresponding calendar month shall be determined depending on the number of unique New Bettors in the corresponding calendar month. If the NGR generated by the Partner's Clients is negative, then the Commission for the corresponding calendar month shall be CZK 0.00 (in words: zero Czech crowns).

Example: If, for example, in the given calendar month the Partner ensures 40 FTD and the total NGR generated by the Partner's Clients amounts to CZK 200,000, the Partner will obtain a Commission amounting to 40 % of the NGR generated, i.e. the Commission for the corresponding calendar month shall amount to CZK 80,000, VAT exclusive.

If, for example, in the given calendar month the Partner ensures 80 FTD and the total NGR generated by the Partner's Clients amounts to CZK 800,000, the Partner will obtain a Commission amounting to 50 % of the NGR generated, i.e. the Commission for the corresponding calendar month shall amount to CZK 400,000, VAT exclusive.

If, for example, in the given calendar month the Partner ensures 20 FTD and the total NGR generated by the Partner's Clients amounts to CZK 300,000, the Partner will obtain a Commission amounting to 30 % of the NGR generated, i.e. the Commission for the corresponding calendar month shall amount to CZK 100,000, VAT exclusive.

4.3 In the case of a Partner with registered office outside the territory of the Czech Republic who is a VAT

payer, the Commission will be calculated in accordance with the rules set out in clause 4.2 of these Conditions, with VAT being included in the Commission, and the amount corresponding to the VAT will be paid by Fortuna in the Czech Republic as a result of the transfer of the tax. The procedure set out in this clause shall apply to all Partners who are VAT taxpayers and have their registered office in a European Union country, as well as to all Partners with registered office in a country outside the European Union, regardless of whether these Partners are VAT taxpayers or not.

- 4.4 In the event that the Partner is a registered VAT taxpayer, they declare that they are not an unreliable VAT taxpayer within the meaning of the relevant legal regulations, and throughout their participation in the Partner Programme, they undertake to ensure the truthfulness of this declaration. In the event that the Partner is listed as an unreliable VAT taxpayer in the relevant official register, they are obliged to immediately inform Fortuna of this fact.
- 4.5 If, on the day of providing taxable performance, the Partner is listed as an unreliable taxpayer or becomes an unreliable taxpayer before paying the tax document, then the part of the financial payment according to the tax document corresponding to VAT will be directly paid by Fortuna to the account of the respective tax administrator in accordance with § 109a of the VAT Act. This amount will be deducted from the total financial payment according to the tax document.
- 4.6 A Partner who does not have a registered office in the territory of the Czech Republic declares that they do not have a permanent establishment in the territory of the Czech Republic within the meaning of international tax regulations. If a permanent establishment is created at any time during the Partner's participation in the Partner Programme, the Partner undertakes to notify Fortuna of this fact no later than five (5) days after the creation of the permanent establishment. Fortuna is entitled, starting from the creation of the permanent establishment, to deduct any withholding tax or tax security from the Partner's Commission if they apply to the Commission under Czech or international tax regulations due to the creation of a permanent establishment. If the Partner violates their obligation to report the creation of a permanent establishment, they will be liable to Fortuna for any resulting damage. In this context, Fortuna reminds the Partner that, according to the interpretation of the Czech Financial Administration, a permanent establishment is created, for example, when hardware (computer

server) is placed on the territory of the Czech Republic.

5. PAYMENT OF THE COMMISSION

- 5.1 Fortuna shall calculate the amount of the Commission to which the Partner is entitled for the corresponding calendar month in connection with fulfilment of the conditions of the Partner Programme, always after the end of each calendar month of the Partner's participation in the Partner Programme. The total amount of the Commission for the corresponding calendar month shall always be stated in the rendering of accounts which Fortuna makes accessible to the Partner in the Partner's Account, not later than within fourteen (14) days after the end of the corresponding calendar month, for which the rendering of accounts is carried out. Fortuna does not provide any guarantees to the Partner in relation to the Commission calculation.
- 5.2 The entitlement to payment of the Commission shall arise to the Partner at the moment when the amount of the Commission exceeds € 50 (in words: fifty euros). The Commission shall be paid to the Partner on the basis of a tax document (invoice) which the Partner is obliged to draw up after entering relevant data through the Partner's Account in the period from the 15th to the 21st days of the month following after the month for which the Commission is to be paid. The maturity of the tax document (invoice) shall be sixty (60) days from its provable delivery to Fortuna at the specified e-mail address. In the case that the Partner is a Czech entity who is a VAT taxpayer, the Commission shall be paid to the Partner solely to the registered bank account, which has been published in accordance with applicable legal regulations, otherwise the payment of the Commission shall be suspended until fulfilment of this obligation.
- 5.3 During the issuing of a tax document (invoice), the Partner is obliged to use always the identical identification number of the Partner, which was used at registration of the Partner in the Partner Programme, any changes in the identification number are subject to the prior consent of Fortuna, which can be withheld without stating any reason. In the case that the Partner does not have the data necessary for the issuing of the tax document (invoice) in their Partner's Account profile, especially the identification number, the payment of the Commission shall be suspended until completion of all prescribed data.
- 5.4 If the Partner disagrees with the amount of the Commission which was calculated by Fortuna, they are obliged to inform Fortuna about this fact not later

than within ten (10) days from the making of the rendering of accounts accessible to the Partner in the Partner's Account, electronically to the e-mail address: info@fortunaaffiliates.com, and the Partner is at the same time obliged to state all the reasons for which they challenge the Commission calculation. In the case that the Partner does not challenge the amount of the Commission in the specified period, it shall be understood that they agree with the amount of the Commission.

- 5.5 The Commission shall be paid by Fortuna to the Partner in accordance with these Conditions on a monthly basis according to the rules specified in clause 4 of these Conditions. In the case that the number of unique New Bettors at any time in three (3) consecutive calendar months is lower than ten (10), then the Parties have agreed that the calculation of the Commission shall be made with the use of the NGR generated by the Partner's Clients, who have become New Bettors in the period of twelve (12) months preceding the month when the condition specified in this clause has occurred.
- 5.6 The Partner shall take cognisance of the fact that it is necessary to issue a proper tax document (invoice) for the corresponding calendar month and deliver the same to Fortuna within the deadline specified in clause 5.2 of these Conditions. In the case that the Partner fails to deliver the tax document (invoice) to Fortuna even by the 10th day of the third (3rd) month following after the month for which the Commission is to be paid, they are obliged to pay a contractual penalty to Fortuna at an amount of 50 % of the Commission not invoiced. In the case that the Partner fails to deliver the tax document (invoice) to Fortuna even by the 10th day of the sixth (6th) month following after the month for which the Commission is to be paid, they are obliged to pay a contractual penalty to Fortuna at an amount of additional 50 % of the Commission not invoiced.
- 5.7 In the case of termination of the Partner's participation in the Partner Programme, the Partner is only entitled to the Commission accrued as at the day of termination of participation in the Partner Programme. In order to avoid any doubts, the Parties have agreed that the Partner's entitlement to payment of the Commission shall cease to exist on termination of the Partner's participation in the Partner Programme.
- 5.8 Fortuna is authorised to suspend the payment to the Partner of the final Commission to be paid out in connection with termination of the Partner's participation in the Partner Programme, for up to ninety (90) days from the day of termination

of the Partner's participation in the Partner Programme, so that it can ensure the payment of the correct amount of the Commission. If the Partner's participation in the Partner Programme is terminated on the part of Fortuna in connection with a breach of the obligations provided for in these Conditions, Fortuna is authorised to withhold the Partner's Commission, for the purpose of a security for coverage of any claims or compensations of Fortuna, implying from the breach of these Conditions.

- 5.9 In the case that there is an error in the calculation of the Commission, Fortuna reserves the right to modification of the erroneously calculated Commission, and the Commission calculated in such an incorrect way shall be taken into consideration in the nearest rendering of accounts.
- 5.10 In the case of a reasoned suspicion of an illegal and/or fraudulent act on the Partner's part, or on the part of the Partner's Clients, Fortuna is authorised to suspend the payment of the Commission, until removal of all reasoned doubts which led to suspension of payment of the Commission.
- 5.11 The entitlement to payment of the Commission shall cease to exist in the case of a suspicion of Fortuna that a New Bettor ensured by the Partner is interconnected with the Partner in any way, or that the New Bettor acts in concert with the Partner or if the New Bettor is the Partner themselves in fact. In the case of such fraudulent conduct of the Partner, the Partner is obliged to pay to Fortuna, at its request, a contractual penalty corresponding to the Commission paid out for the term of the contractual relation.
- 5.12 The Partner is obliged, at a request of Fortuna, to return to Fortuna all the financial recourses which have been paid out to the Partner within the framework of the Commission, for the transactions which were generated in a fraudulent or falsified way.

- 6.5 In the case that it is impossible to make bets for the Games of Chance operated by Fortuna, Fortuna shall not be liable towards the Partner for any damage (e.g. direct, indirect, extraordinary, consequential) caused by the impossibility of making bets. At the same time, Fortuna shall not bear any responsibility for a failure, delay or interruption of the operation of the Website of Fortuna.
